

UBA Cameroon Supports Orphans at the Saint Faustin Orphanage in Douala

In line with UBA Cameroon's determination to be a good corporate citizen, a delegation some staff drawn from branches in Douala visited the Saint Faustin Orphanage in Ndogpassi in the Douala 2 council area. The orphanage is home to 27 orphans aged between 1-15 years. Created some 25 years ago by Brother David Nana, this orphanage survives from donations for donors and well-wishers.

UBA Cameroon brought a donation of food items comprising of rice, pasta, vegetable oil and other goodies for the kids. The kids in this orphanage welcomed the UBA delegation singing songs and reciting rhymes. They thanked the team for the visit and the gifts that will help them immensely. Brother David Nana called on the UBA team to continue such gestures for this is what gives the orphans hope that they have not been forgotten. The head of the UBA Delegation Mahama Biondokin Regional Director for Littoral 2 encouraged the children and the staff of the orphanage. He called on them to be well behaved and take their studies seriously. Their plight today he declared is not permanent and hard work every day will make things better tomorrow.
